Dr. W. Hamilton,

309 Bathurst Street,

Toronto.

Dear Dr. Hamilton:

It was very kind of you to write me expressing your approval of the action I have had to take with regard to the German professors. I hope that we shall be able to come through without doing injustice to them and at the same time to keep the University from falling into the mistake of treating unfairly members of its staff simply because of popular clamour. I am very grateful to you for your letter.

With kind regards, I am,

Yours sincerely,

President.
